## COVID UPDATE

*In compliance with Governor Newsom's statewide mandate  
to minimize the spread of Coronavirus (COVID-19).*

**ARRANGEMENTS** - Only 2 family representatives at the office at one time to pick out lots. Family representatives who have fevers or have been exposed to COVID-19 in the last 14 days are not permitted to enter the office or District grounds.

**GRAVESIDE SERVICE** - We are recommending graveside services be limited to family. We recommend those who are attending, to remain at a socially acceptable distance as defined by the CDC (*6 feet between each person*). It is recommended that masks be worn to protect you as well as other attendees.

No Chairs will be at the gravesite. Families may provide their own chairs for any guests requiring them. No group music is being permitted.

All Federal, State and Local mandates will be followed to reduce likelihood of contact. These mandates may change our requirements at any time. The Cemetery grounds are open currently, from dawn until dusk.

Thank you for your understanding and patience.
