

Santa Maria Cemetery District

Request for Proposal

June 5, 2019

Installation of Niche Wall

Submittal Deadline:

4:30 pm, June 26, 2019

Agency:
Santa Maria Cemetery District

Subject:
Request for Proposal to provide and install new niches at existing niche wall.

Objective:
The Santa Maria Cemetery District ("District") is seeking licensed contractors to submit proposals and pricing to provide and install additional niches at an existing niche wall.

Area Description:
The construction site is located in an existing niche garden due west of the District office.

Project Schedule:
Deadline for Receipt of Proposals: 4:30 pm, June 26, 2019

Scope of Services:
Contractor is to provide labor, equipment, and services necessary to complete the required tasks. Tasks include, but are not limited to:

Remove existing landscape, hardscape, etc., only in the locations to receive new niches.

Construct appropriate foundation for new niches. Refer to manufacturer's specifications.

Provide and install new niches.

Repair landscape, hardscape, etc. to match adjacent conditions.

Each respondent shall submit the following information in a brief written narrative:

1. Name of Contractor
2. Address of principal place of business and corresponding telephone, fax numbers, and email addresses of organization staff who will be assigned to work with the District.
- 3.....Selection Criteria.....
